Sorry Day

On Friday the 25th of May, some Grade 5 children went to the City of Whittlesea for Sorry Day. Sorry Day is part of Reconciliation Week where we remember the hurt suffered by aboriginal people who lost their land and were taken from their families. It is a day of healing and looking forward to a bright future. There was a choir and musicians that sang songs. We loved the song “Count on Me” by Bruno Marrs. We made our hand prints and decorated them for a wall display. At the end we had party pies. We had a great fun day.
