Mr Parnis took a group of children on the 31st of October to the MCG. They caught the train from Thomastown Station to Jolimont Station and walked to the MCG. They had a guided tour around the MCG and were able to touch the ground. They went into the Museum and learnt about when the Olympic games were in Melbourne. They played football and cricket. They had a fantastic time playing in the ‘Game On’ area where they got to test their skill with lots of different sports, like bike riding, archery and netball.
